

AMENDMENTS TO THE CLAIMS:

The following listing of claims will replace all prior versions and listings of claims in the application.

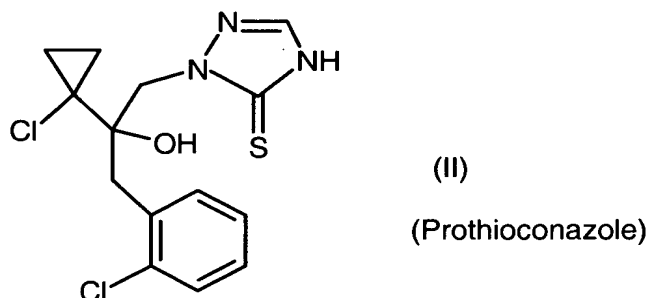

Claims 1-8 (canceled)

Claim 9 (currently amended): An active compound combination consisting essentially of a compound of formula (I)

and

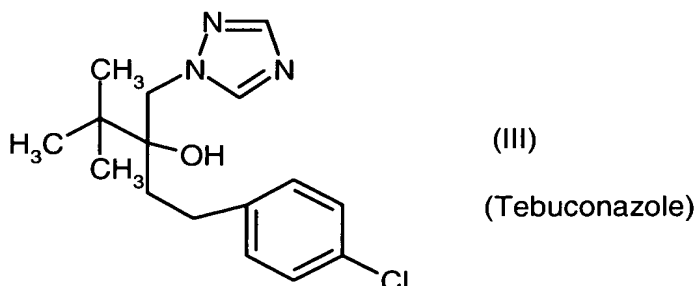

(1) a compound of formula (II)

wherein the weight ratio of the compound of formula (I) to the compound of formula (II) is from 1:0.1 to 1:10,

and

(2) a compound of formula (III)

wherein the weight ratio of the compound of formula (I) to the compound of formula (III) is from 1:0.05 to 1:10 .

Claim 10 (canceled)

Claim 11 (previously presented): A method of controlling fungi comprising allowing an effective amount of an active compound combination as defined in claim 9 to act on the fungi and/or their habitat, plants, parts of plants, seeds, soils, areas, materials, or spaces to be kept free from the fungi.

Claim 12 (previously presented): The method as claimed in claim 11 comprising applying the compound of formula (I), the compound of formula (II), and the compound of formula (III) simultaneously together or separately or in succession.

Claim 13 (previously presented): A propagation material treated by the method of claim 11.

Claim 14 (previously presented): A fungicidal composition comprising an active compound combination according to claim 9 and one or more extenders and/or surfactants

Claim 15 (previously presented): A process for preparing a fungicidal composition comprising mixing an active compound combination as claimed in claim 9 with one or more extenders and/or surfactants.
